

The Mississippi Psychological Association (MPA) is a state-wide non-profit association seeking an energetic and professional individual to serve as the Executive Director. The MPA was officially incorporated in 1963 and has a diverse membership of students, associates, clinicians, academics with 120 current psychologists as members across the state. The MPA serves as the voice of psychology with a mission to advance psychology as a profession and a science through advocacy, education, and promotion of knowledge (website: <https://mpassoc.org/>).

Through leadership and management, the Executive Director works closely with the member-driven Executive Council and Committee Chairs to help our members succeed. The Executive Director will have overall responsibility for the association's organizational performance through financial and operations management, membership retention and growth initiatives, legislative and regulatory advocacy, coordination of meetings/planning retreats and the annual convention.

Qualified candidates will have the following knowledge of and/or experience in non-profit management and governance principles, strategic planning, leadership practices, health care familiarity, fiscal management, government relations, membership recruitment, fundraising, strong oral and written communication skills, and facilitating leadership development.

To be considered for this position, applicants must possess at least three years of experience in nonprofit executive management or other related organizational management; Bachelor's degree in business, management, marketing, or related field; strong oral and written communication skills; demonstrated ability to lead and motivate volunteers; and an inclusive and inspiring leadership style.

Please send letter of interest and resume to the search committee chair, Dr. Danielle Maack, at djmaack@deltaautumn.com. The committee will begin reviewing applications December 8th and will continue recruitment until the position is filled.
